

To Whom It May Concern,

The Orange County Math Field Day Committee would like to invite you to be a sponsor for the OC Math Field Days on May 14th, 2011 (South County), and May 21st, 2011 (North County). This competition is for elementary schools all over Orange County. The competition is divided into a North County competition and a South County competition, each with approximately, 80 teams (approx. 400 students) grades 4 through 6, representing nearly 60 schools.

There are three sponsorship levels to which you can participate.

***"Infinity" Sponsor Level - Minimum \$2000 donation***

- Listing on Math Field Day website sponsor page
- Listing in the April, and June OCMC Newsletter
- Prominent listing in Math Field Day program, which is given to all Math Field Day participants
- Sponsorship 'Thank You' Announcement at both North and South Awards Ceremonies
- 2 Sponsor Tables Available Near Registration Table at both North and South events (Tables may be set up anytime from 7:30 AM - 2:00 PM)
- One representative of sponsor organization will participate in medal ceremony, congratulating and giving medals to winning students at both North and South events

***"Prime" Sponsor Level - Minimum \$1000 donation***

- Listing on Math Field Day website sponsor page
- Listing in the April, and June OCMC Newsletter
- Prominent listing in Math Field Day program, which is given to all Math Field Day participants
- Sponsorship 'Thank You' Announcement at both North and South Awards Ceremonies
- 1 Sponsor Table Available Near Registration Table at both North and South events (Tables may be set up anytime from 7:30 AM - 2:00 PM)

***"Power" Sponsor Level - Minimum \$500 donation***

- Listing on Math Field Day website sponsor page
- Listing in the April, and June OCMC Newsletter
- Prominent listing in Math Field Day program, which is given to all Math Field Day participants
- Sponsorship 'Thank You' Announcement at both North and South Awards Ceremonies

Organizations which provide donations at a level under the "Power" Sponsor level are greatly appreciated, and those organizations will be listed in the sponsor section of the Math Field Day program.

If you would like to sponsor OCMC Math Field Days at one of the above levels please contact Dave Chamberlain at [mathfieldday@ocmathcouncil.com](mailto:mathfieldday@ocmathcouncil.com) or visit our OCMC Sponsor page at <http://www.ocmathcouncil.com/Sponsors.html> to fill out the online sponsorship form. Thank you for your consideration and interest in our children's education and school activities.

Best Regards,

Orange County Math Council
